

VIVANCO Outdoor Stranded Loose Tube Optical Fiber Cable, Steel Armor, Double Sheaths

Brand: Vivanco
Availability: In Stock

Short Description

Outdoor, stranded loose tube, steel armor, SM/MM, 2-144F, PE, direct buried

Description

Outdoor, stranded loose tube, steel armor, SM/MM, 2-144F, PE, direct buried

Features & Benefits

1. SM or MM optical fiber performance exceed the standard
2. Steel or FRP CSM available
3. PSP improves the moisture penetration resistance performance
4. Water-blocking compound/material filled both in and out of the loose tube
5. Excellent ultraviolet prevention with PE sheath
6. Double-armored and double-sheath design for harsh environment

Specification

Fiber Type	G.652D/ OM1/OM2/OM3/OM4	
Fiber Core	2-144	
Loose Tube	Material	PBT
	Max. Fiber per Tube	6/12
Central Strength Member	?72 core	Steel Wire/FRP
	?72 core	Steel Wire +PE/FRP+PE
InnerSheath	Material	PE
Aarmor	Steel Tape (PSP)	
Outer Sheath	Material	PE
Standard Compliance	ISO/IEC 11801	
	ITU-T G.651/G.652	
	IEC 60793-1	
	IEC 60793-2	
	IEC 60794-1	
	IEC 60794-3
